RE: KU Petition for Confidential Protection
Case No. 2006-00187

Dear Mr. Riggs:

The Commission received a petition from Kentucky Utilities Company ("KU") on May 4, 2006, to protect as confidential certain information contained in the Flue Gas Desulfurization Project Alliance Agreement between KU and Fluor Enterprises, Inc., attached to KU's Application as Exhibit 4. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition and will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
